

FINAL REPORT

CLACKAMAS RIVER WATER PROVIDERS
FISCAL YEAR 2023 - 2024
AUGUST 5, 2024

FRANCES GILLILAND
ASSOCIATE DIRECTOR
FGILLILAND@PPRC.ORG

POLLUTION PREVENTION RESOURCE CENTER
8620 HOLLY DRIVE, SUITE 250
EVERETT, WA, 98208

INTRODUCTION

Pollution Prevention Resource Center (PPRC) is the Northwest Region's largest nonprofit organization that provides on-the-ground technical assistance to organizations seeking to reduce pollution at its source and improve economic vitality. PPRC has worked with the Clackamas River Water Provider (CRWP) since 2014 to deliver technical assistance and outreach to automotive businesses and landscapers using the EcoBiz Certification standards. PPRC has also been working with CRWP since 2016 to implement Clackamas River drinking water protection projects.

PROJECT OVERVIEW

During the 2023/24 fiscal year, PPRC contracted with CRWP to continue implementation of drinking water protection projects. The following table outlines the Proposed Tasks and Completed Activities during this fiscal year.

Proposed Tasks	Description of work completed
<p>Perform outreach at businesses that could receive hazardous material education and technical assistance.</p>	<p>PPRC contacted and offered technical assistance to 22 commercial and industrial facilities within the Clackamas River Watershed. See Appendix B for Summary of Business Interactions.</p> <p>Postcards were mailed to 103 businesses offering Technical Assistance and purchase of spill prevention equipment.</p> <p>Social media post on Instagram and Facebook to increase business interest.</p>
<p>Provide spill prevention and response training to up to eight (8) commercial and industrial facilities.</p>	<p>PPRC provided spill prevention materials to nine (9) commercial and industrial facilities.</p> <p>See Appendix A for Success Story resulting from these outreach efforts.</p>
<p>Additional activities including:</p> <ul style="list-style-type: none"> • Identifying facilities beyond Clackamas Industrial Area within watershed for assistance • Assist with production of technical assistance videos • Attend planning meetings • Project Administration 	<p>PPRC Staff attended the Clackamas River Spill Committee meeting on June 25, 2024.</p> <p><u>Article</u> in CRWP Winter 2024 Newsletter promoting program PPRC’s work in the jurisdiction.</p> <p>PPRC staff and Kim Swan, Water Resource Manager for CRWP met quarterly.</p> <p>PPRC is completing videos under a grant from EPA that will be useful for <u>businesses in the CRWP jurisdiction</u>.</p>

Outreach*		22

Outreach: PPRC engaged (22) businesses via email, phone and in-person. Outreach is assumed to reach at least one person per business.

APPENDIX A - MILES FIBERGLASSING SUCCESS STORY

PPRC worked with Miles Fiberglass & Composites to identify the need for and purchase spill containment equipment. Pictured above are, left to right, the company's reclaiming area before and after install a containment berm. Equipment was purchased by PPRC using funds provided by CRWP.

Pictured above are, left to right, the company's paint storage area before and after installation of spill pallets. Also pictured is purchased utility tray in use. It is clear from these photographs the company was able to clean up trouble spots in the facility. If a spill occurs, these chemicals will be contained and will not reach the Clackamas River. PPRC has also offered a free Pollution Prevention assessment to Miles Fiberglass funded by a grant from Oregon DEQ. This will result continued improvement and reduced hazardous pollution leaving their site.

APPENDIX B- SUMMARY OF BUSINESS INTERACTIONS

Business	Address	Notes	Tools Delivered
Bartlett Tree Experts	11814 SE Jennifer St.	Followed up with for second year in a row	Spill kits (2), Spill Sign (1), brochures (1)
